- 2. One thing the library currently does very well is:**
- 3. One thing that could be done this year to make library service even better is:**

Community Needs and the Library's Mission

Please list three different needs you believe Bourbon County has today or will have in the next 5 years. Then suggest one way the library might address each need.

1. Community Need:

How the Library can address that need:

2. Community Need:

How the Library can address that need:

3. Community Need:

How the Library can address that need:

Collectively, library board members should possess a variety of expertise/skills and personal qualities, and should reflect the diversity of the library's constituency. This checklist helps identify individual areas of expertise, skills, and other qualities. Please check all that apply.
